Mission Statement

Clark County School District students will have the knowledge, skills, attitudes, and values necessary to achieve academically, prosper economically, and participate in democracy.

Superintendent's Highlights

- Development and adoption of the 21st Century Course of Study added a fourth year of mathematics to include at least Algebra II and a third year of science to include, at a minimum, Biology I.
 - Enrollment at UNLV has increased, with students enrolled in college remedial classes dropping to 24%.
 - Unilaterally, the first-time pass rates for 10th grade students on the High School Proficiency Exam (HSPE) increased from 77.3% to 78.1%.
 - Students attending magnet schools increased from 12,005 to 14,006.
 - The number of Career and Technical Education (CTE) students who earned Tech Prep college credit while in high school increased, as did the number of students participating in work-based learning activities and the number participating in CTE student organizations.
 - Increases in proficiency on the Criterion Referenced Test (CRT) were demonstrated in 3rd through 8th grade reading and math; and both grades 5 and 8 increased in writing, 54.5% to 55.5% and 44.2% to 46.8% respectively.
 - Percentage of classroom instructional computers with Internet access increased to 97.4%.
 - Districtwide Survey results indicate:
 - Positive parent responses regarding high academic expectations, safe environment, and academic assistance opportunities increased 4.5, 12.2, and 9.0 percentage points respectively from the previous year.
 - 92% of the 15,438 parents responded "agree" or "strongly agree" that schools assist students in developing positive qualities, such as honesty and trustworthiness, and 91% for positive qualities such as kindness and caring.
 - 90% of the schools implemented strong character education programs that included recognition and rewards for students who demonstrated academic and behavioral achievement, improvement, and initiative.
 - Percent of LEP students that increased proficient in English by one level was 49.8%, while another 13% increased proficiency in English by two levels.
 - High school students passing a secondary foreign language Level III or IV course was 93.9%.
 - 104 students in grades 6, 7, and 8 competed in the Area Spelling Bee.
-

Goals and Objectives

MASTER PLAN DESIGN GOAL #1: The District will increase student achievement in English Language Arts, mathematics, and science; decrease the percentage of students identified as at risk of dropping out through participation in the Graduate Advocate Program; decrease the number of high school dropouts; and increase achievement of LEP students.

MEASURABLE OBJECTIVE 1: The percent of proficient students on state mandated assessments will increase, as demonstrated by adequate growth as specified on the Quality Assurance Framework.

MEASURABLE OBJECTIVE 2: The number of overall high school dropouts as well as those identified as at risk of dropping out of school will decrease, as specified on the Quality Assurance Framework.

MEASURABLE OBJECTIVE 3: The District will demonstrate increased achievement as measured by the AMAO objectives such that: a) 52% of all LEP students achieve a 25 point gain in overall ELPA scaled scores each year; b) 14.4% of all LEP students achieve English language proficiency each year; and c) LEP students make AYP as determined by Title I.

MASTER PLAN DESIGN GOAL #2: The District will coordinate, design, deliver, and evaluate ongoing professional development aligned to District instructional initiatives and identified student needs.

MEASURABLE OBJECTIVE 1: The District will align professional development to meet District instructional expectations and identified student needs based on data measured by a professional development tracking system and professional development evaluations.

MASTER PLAN DESIGN GOAL #3: The District will continue targeted recruitment, support, and retention of qualified staff including teachers, administrators, and support staff.

MEASURABLE OBJECTIVE 1: The District will recruit qualified staff resulting in an increase of teachers with highly-qualified status.

MEASURABLE OBJECTIVE 2: The District will retain qualified teachers resulting in an annual attrition rate of less than 8%.

MEASURABLE OBJECTIVE 3: The District will increase retention of highly-qualified teachers in at-risk schools.

MEASURABLE OBJECTIVE 4: The District will revise the system for evaluating licensed employees and school administrators in collaboration with the Instruction Unit, Employee Management Relations, and association representatives.

Demographics and Student Information

Demographic profiles are reported by gender, race/ethnicity, and special student populations as of count day.

Data as of: Count Day

This table shows the number and percent of students who are expected to graduate in a given year that are credit deficient. Because of the changes in law (NAC 387.659) that affect the way credit deficient students are identified, no data comparison should be made before and after the 2009-2010 school year.

** Indicates the grade level was not present.

Data as of: Count Day

This table shows the number and percent of students who are expected to graduate in a given year that are credit deficient. Because of the changes in law (NAC 387.659) that affect the way credit deficient students are identified, no data comparison should be made before and after the 2009-2010 school year.

Student/Teacher Ratio

Student/Teacher Ratio is listed for all classes whose students do not rotate to different teachers.

N/A indicates that this grade level was not present or there was no full time teacher at that grade level.

- Teachers may serve multiple grade levels as needed. Student/Teacher Ratio is reported for the school as a whole.

+ Kindergarten ratios are based on the number of classes, not teachers.

Data reported as of December 1.

N/A indicates that this grade level was not present or there was no full time teacher at that grade level.

- Teachers may serve multiple grade levels as needed. Student/Teacher Ratio is reported for the school as a whole.

+ Kindergarten ratios are based on the number of classes, not teachers.

Data reported as of December 1.

Nevada System of Higher Education (NSHE): Fall 2010

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

Fiscal Information

Per-Pupil Expenditures 2009-2010

The Nevada Department of Education in consultation with InSite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Personnel Information

Classes Not Taught by Highly Qualified Teachers

Highly qualified teachers hold a minimum of a bachelor's degree, are licensed to teach in the State of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2011.

District Communication Efforts

- Parents and community members are encouraged to be active participants in the educational process. The District promoted frequent two-way communication with parents, family, and the community through a variety of meetings, forums, publications and media.
- Superintendent and district staff attended community meetings and appeared on radio and television shows, encouraging feedback and fostering positive working relationships.
- The Board of School Trustees conducted monthly Parent Advisory Committee (PAC) meetings at various locations in the Areas they served.
- The Board of School Trustees initiated an interactive television program, "School Matters," on Vegas PBS that allows community members to ask questions and receive real-time answers on a variety of important district topics. "School Matters" airs several times throughout each school year.
- The Board of School Trustees made video coverage of the regular meetings available online with live streaming during the meetings and archived videos afterward.
- Video messages from the Superintendent, district staff, and the Board were made available online.
- The District hosted a number of news conferences in order to expand the information provided to the community.
- The District developed series of grade-specific learning activities for parents, to assist with learning over the summer. The series was available online in its entirety.
- The Board of School Trustees held Community Linkage meetings to gather community input.
- The Board of School Trustees also provided monthly newsletters as well as special edition newsletters to their districts, which included calendar events, helpful information, and articles on a variety of topics.
- Surveys were distributed to more than 230,000 households requesting feedback from parents regarding all aspects of their child's schooling.
- The District hosted a variety of forums on specific topics at various locations throughout the school year.
- The CCSD website contained timely information for parents and provided links to individual school's web sites. The online "Straight Talk" feature enabled the community to send comments, suggestions, and concerns directly to the Board of School Trustees and Superintendents.
- The District presented "Inside Education," a 30-minute news program highlighting activities in the District, made weekly presentations on Vegas PBS, and included weekly segments of "Parent Talk" that provided ways to engage families in their students' academic success.
- Schools throughout the District produced and distributed newsletters about their specific school programs, activities and events.
- The District's parental online communication systems, ParentLink, provided a means in both English and Spanish for parents and guardians to quickly and securely track their children's academic progress. In addition, most schools utilized outgoing voice messaging to inform parents of student progress or other important matters.
- Parents and community members regularly participated and provided input to critical committees, such as:
 - Career and Joint Technical Skills Committee
 - Attendance Zone Advisory Commission (AZAC)
 - CCSD Textbook Commission
 - Sex Education Advisory Council
 - Nevada Partnership for Inclusive Education
 - Area Child Development Centers
- Several district publications provided important information and a means to communicate with district personnel. Those publications were posted on the District's website.
- A parent liaison position is in place and is actively involved with numerous parent organizations to increase parent involvement and communication.
- The following initiatives were coordinated through the Parent Services office:
 - Applied for and received a United Way World Wide Grant to create Family Engagement Centers in five high schools.
 - Coordinated the Second Family Enrichment Day at the University of Nevada Las Vegas with over 500 participants.
 - Participated in various schools' Parent Information Night.
 - Participated in the City of Las Vegas Councilman Ross Family Information Night.
 - Coordinated and recruited participants for the Parent School Partnership Training - included teachers, parents and support staff in collaboration with Nevada State Parent Information Center.
 - Coordinated and recruited participants for the Math and Parent Partnership Training in collaboration with Nevada State Parent Information Resource Center.
 - Coordinated the CCSD Administrator Training with Anne Henderson. Coordinated and planned the Third State Wide Parent Involvement Summit, hosted at the University of Nevada Reno.
 - Participated in various schools' Health and Wellness Fairs.
 - Conducted Behavioral Communications Workshops at the Nevada State Parent Teacher Association's Annual Convention and the First Emerging Minorities Leadership Conference.
 - Coordinated the Districtwide Parent Engagement Forum which meets monthly throughout the school year.
 - Participated with and advised the Statewide Parent Advisory Council created in 2007.

Adequate Yearly Progress (AYP)

Complete information on Adequate Yearly Progress is available on the "No Child Left Behind" page of the Nevada Department of Education website: www.doe.nv.gov/nclb.

The AYP data contained in this report may not reflect final decisions relative to the school's performance in the Nevada AYP accountability system. For the most current information regarding the 2010-2011 AYP results, please visit the Nevada Department of Education's website at www.doe.nv.gov/ayp.

District AYP Results

	AYP Designation
District	Watch

Number of schools In Need of Improvement: 199

Percentage of schools In Need of Improvement: 54.2 %

District totals do not include state or district sponsored charter school data.

Summary of Standards-Based Test Performance

Nevada used criterion referenced tests (CRTs) and the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. Data in these tables are a compilation of test results for grades represented at the school, district, or state and may not represent the figures that were used to determine Adequate Yearly Progress. For more detailed information and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the Approaches Standards range of achievement

MS = Percentage of students performing in the Meets Standards range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

'-' indicates data not presented for groups fewer than 10.

'N/A' indicates that data are not available.

As a result of substantive changes to the content and rigor of the 2011 reading assessments, direct comparisons should not be made between 2011 performance and performance in previous years.

Note: District totals do not include state or district sponsored charter school data.

The development of this annual district accountability report is a joint effort among the Nevada Department of Education, Otis Educational Systems, Inc., and Nevada school districts. This report is provided to the public as required by the federal No Child Left Behind Act and NRS 385.347. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at www.nevadareportcard.com.
