

Tutoring for the science proficiency exams will be held the week of February 27th through March 2nd, after school. Each of the sessions will be from 2:00-4:00 and each session will address a different portion of the science exam.

Monday, February 27:	Nature of Science, Room B207
Tuesday, February 28:	Earth Science, Room C201
Wednesday, February 29:	Life Science, Room E110
Thursday, March 1:	Physical Science, Room B207
Friday, March 2:	Test-taking strategies, Room E110

Students that are interested in attending these tutoring sessions should express their interest to their science teacher.
