Southwest Career and Technical Academy
ADVANCED PLACEMENT/CSN JUMPSTART/HONORS AGREEMENT

STUDENT _____ **ID #** _____ **GRADE** _____

The AP, CSN Jumpstart and Honors courses are designed to help students prepare for the academic challenges of college. Before a student is recommended for enrollment in an AP, CSN Jumpstart or Honors course, a number of academic and motivational indicators are reviewed.

AP, CSN Jumpstart and Honors courses require:

- self-discipline
- research and writing skills
- analytical and higher order thinking skills
- high motivational level
- maturity to be challenged academically and intellectually
- one to two hours of homework per course per night

Please visit our website at swcta.net to review course expectations and teacher's course calendars in order to make informed decisions about the workload and expectations for each course you are enrolling.

A student may not transfer out of an AP, CSN Jumpstart or Honors course because of earning a low grade, causing stress, or jeopardizing class rank/G.P.A.

I have read this agreement and fully understand the expectations associated with an AP, Jumpstart or Honors course. I understand enrollment in an AP, Jumpstart, or Honors class is for an entire school year. I have reviewed the course expectations/teacher calendars for the courses I am selecting.
