I have read and understand that Testing/Course Fees are required as a student of Southwest CTA. I am aware that these fees are due on Friday, September 15, 2017. I also understand that if the fees are not paid by this date, alternate assignments will be provided until the fees are paid. I also understand students will not be allowed to participate in extracurricular activities requiring additional fees (dances, CTSO travel, non-academic field trips, etc.) until course fees are paid in full. If you withdraw from SWCTA for any reason during the school year, you must pay all fees prior to completion of withdrawal.
