

Southwest Career and Technical Academy

June 7, 2017

Dear Coyote Family,

It is with deep sympathy that I inform you of the passing of one of our students. It is never easy to lose a valuable life, especially at such a young age. This student will always be remembered as part of our Coyote family, and our staff and students will miss him.

Grief counselors were on campus today and will return tomorrow. We are monitoring all students to ensure they have the support and resources they need to get through this difficult time. We are especially concerned as the semester ends this Thursday, leaving us without the ability to assess students daily. We ask that you monitor your child(ren) for signs of grief and behavioral changes, as this loss may affect individuals in unexpected ways.

Remember to keep lines of communication open with your child. It is important, to be honest with them and let them express feelings of grief, anger, and disbelief. Reassure your student that there is always someone with whom he/she can talk and that the many mixed emotions are normal.

Please contact us here at 702-799-5766 if you have questions or concerns. We are here to help.

Sincerely,

Donna Levy
